ORWOOD

Here's to the nights we felt alive,
Here's to the tears you knew you'd cry,

Here's to goodbye.
Tomorrow's going to come too soon.

Put your name on the line,
Along with place and time.

Want to stay, not go.
I want to ditch the logical.

All my time is froze in motion.
Can't I stay an hour or two, or more?

Don’t let me let you go.

Here's to the nights we felt alive,
Here's to the tears you knew you'd cry,

Here's to goodbye,
Tomorrow's going to come too soon.

Dedication

As the Class of 2002 leaves the hallowed halls of Norwood High School behind, we pause to honor a special group of people who will be leaving with us. All have served long and well, and leave a special mark behind in their area of expertise:

Paul Alberta has served the Music Department for 39 years, and is now the Director of Fine Arts;

Paul Frost has been in the Science department for 37 years, served as Department Head and varsity Golf Coach:

Patricia Ingraham has also taught for 37 years in the English department, and was *Tiot* advisor for ten years;

MaryLou Karahalis has been a guidance counselor since 1969, and Advisor to the National Honor Society;

Jackie Munroe is a former Head of the Art department who has served us for 33 years;

Ed Simpson arrived at Norwood in 1965 and has been in the Industrial Arts department for 37 years;

Sue Thomas is a former Head of the Business Department who began at Norwood High in 1970.

We, the Class of 2002, honor this unparalled group as true leaders who will be missed. (see page 144-145)

We, the editors of the 2002 *Tiot*, have chosen a relative newcomer for this dedication. Mr. Thomas Lamb has had a huge impact on this class for our entire four years on "the hill." To some of us, he has been "the coach," leading the football team to two Superbowls, and more importantly, teaching appreciation of self-sacrifice, self-discipline, and teamwork. To others, he has been "the A.D.", constantly helping and encouraging all athletes in all sports, from welcoming us in as freshmen through helping with college acceptances. To the entire class, he has become a symbol of morality, kindness, and school spirit. As we, the Class of 2002, disperse in many directions, Coach Lamb also leaves to return home. We wish him well and thank him again for what he has given to so many members of the Class of 2002.

Top Five Words of Wisdom for the Freshman Class

5.Don't be fooled... N.H.S. looks a lot better on the outside.
4. Don't think that your good looking if Marc Carafone hits on you. He's probably the only senior guy that ever will!
3. Be careful when walking to school. You risk be hit by Molly Hayden!
2. Girls, be patient. The guys in your class will eventually lose that "third grade" look!
1. Guys, be warned. The girls in your class won't start hanging out with you for another three years.

Top Five Reasons why it Stinks to be a Sophomore

5. You feel a lot older, but only on the bus ride to school.
4. You might make it to a senior party, but your mom's picking you up at 10:00.
3. Your chances of getting invited to the prom are slim to none, unless you're dating Richie Fay.
2. You still haven't realized that big gold jewlery went out of style with Vanilla Ice.
1. You suffer through hours of MCAS...only to learn you won't graduate for another six years!

Here we

Brian Dwyer, Kaylee Hargreaves, Lisa Davenport, Bill Kenny, Dave Dalton, Brian Riley, Tanya Lowe

Top 5 Wake-up Calls to the Junior Class

1. Just because it's winter doesn't mean you can change the hang-out spot from St. Tim's to Tanorama.
2. Next year you may have to go to the prom with someone in your own grade.
3. "Scrubbing out" everyday is a privilege that you only hold when you enter senior year.
4. A 400 on your SATs will not get you into the college of your choice.
5. Get used to the term "rebuilding year" because NHS sports teams will be hearing it a lot without the seniors.

Mr. Kevin P. Connolly

This yearbook would be incomplete without some recognition to our Dean, Mr. Kevin P. Connolly. He was born and raised in Norwood, attended Catholic Memorial High School, and later went on to UMASS-Boston, where he received a Masters in Education. He has worked for Norwood Public Schools for 32 years, and in 1998, he became our Dean for the Class of 2002. He has been with us for four years, and has seen us mature from unsure freshmen to seniors who are ready to face the challenges of the real world. Throughout, he has helped us plan class trips, organize the sophomore Up All Night, and develop our role in the Relay for Life. In our senior year he has played a vital role with not only Prom preparations, but also with college plans by lending a helpful hand to any senior who needed a recommendation. In addition, he has continued the Senior Cabinet, established a Big Brother/Big Sister program, and continued to find time to attend our plays, musical performances, and sporting events. He is a man who has done so much for so many of of us, yet he does not expect recognition or reward. His presence in our hearts and lives the past four years will travel with us in our journey through life. We'll never forget the "Lean Dean"!

Kiss Me Kate

The Yearbook staff would like to thank Ms. Pelaggi for her dedication and spirit (and thanks for the pictures!).

The Class of 2002 wishes to honor this group of dedicated teachers who are retiring this year. Some of these have had yearbooks dedicated to them before; all are worthy of the highest honors that we can bestow. Each of them has contributed greatly to the atmosphere and traditions of excellence that has made Norwood High School special. We congratulate them on their many years of service and wish them well.

Paul Alberta has been the Director of Fine Arts in the Norwood School system since 1996, but is better known as the Director of Music that put Norwood High School on the map. Arriving in Norwood in 1963 from the Boston Conservatory, Mr. Alberta steadily built the music program, especially the Jazz Band and the Marching Band, into the tops in the state. His endorsement from the many student musicians he has helped and who respect his efforts will remain his enduring legacy.

Paul Frost, the former Head of the Science Department for many years, started his 38-year career in Norwood fresh from the University of Massachusetts. He has seen a great evolution in the teaching of science during that time, and has taught nearly all science courses to all levels of students. He is also fondly remembered as the coach of the varsity golf team, a job well-suited to one with his love of the game!

Patricia Ingraham also came to Norwood in 1965 and has taught in the English Department since that time. We salute Mrs. Ingraham especially for being the advisor of the *Tiot* for ten years, producing outstanding yearbooks. She has had a special knack for teaching seniors as they head toward graduation, establishing a lasting bond between teacher and student. Future classes will miss her.

Mary Louise Karahalis began her long career in the Norwood school system in the English Department at Norwood Junior High school. She soon moved to the High School and, in 1969, joined the Guidance Department. Ms. Karahalis has been an advocate of all students, from the academically challenged to the very top achievers. She has been the advisor to the National Honor Society for many years, and has made our chapter one of the best in the state. The many students she has touched applaud her efforts.

M. Jacqueline Munroe has had a 34-year career in the Art Department at Norwood Senior High School, serving as the Department Head for many years. She has had a great effect on many art students, from the least talented to the award-winners over the years. Mrs. Munroe also served as the advisor to the Art Honor Society from 1995 to 2000. Her steady leadership and caring manner will certainly be missed by all.

Edward Simpson started teaching at Norwood High in 1965 in the Industrial Arts Department. He has guided many students in more than just his subject area, especially those who passed through his metal shop. He has consistently been one of the most popular teachers at the school. His caring attitude and his "safety-first" attentiveness have made him a model educator, dealing with students of all ability levels equally and fairly.

Sue Thomas is also leaving Norwood High soon, having served here for 32 years, mostly in the Business Department. She was named Head of the Business Department in 1995. Mrs. Thomas, now under the auspices of the Math Department, has taught a myriad of courses involving many disciplines. She has been a versatile, caring and dedicated teacher for her entire time at Norwood High and we wish her well.

State League All the Way to Superbowl

The Mustangs won their second straight BSC title by completing their regular season at 11-0. The team was guided by a strong core of seniors led by Captains Mike Millar, Ryan Trusevitch, Mike Grant, and Manny Lopes. They had an unforgetable season with dominating victories over rivals Walpole (41-20) and Dedham on Thanksgiving (35-6). The Mustangs also crushed playoff bound Needham 35-0 in Norwood's first home night game in over 20 years. Norwood defeated a powerful Mansfield team (9-7) in the first playoff game in state history. The Stangs were shocked in the Super Bowl falling to Whitman-Hanson, 15-14. Despite the loss the seniors had an unbelievable career. They won more games than any other class ever at Norwood, went to two Super Bowls, and only lost one game in their four years. The seniors would like to thank the coaches and wish good luck to next years team.

Firefighter's Prayer

by

James J. Metcalfe

When I am called to duty, God...Whenever flames may rage...Give me the strength to save some life...Whatever be its age...Help me embrace a little child...Before it is too late...Or save an older person from...The horror of that fate...Enable me to be alert...And hear the weakest shout...And efficiently...To put the fire out...I want to fill my calling and...To give the best in me...To guard my every neighbor and...Protect his property...And if according to my fate...I am to lose my life...Please bless with Your protecting hand...My children and my wife.
